canvasCRAFT

19 OZ STANDARD (207.35MM X 175.135MM)

Pasteurization Disclaimer:

☐ Please check this box if you will be pasteurizing, and therefore will be using a white base can with a fully high-gloss varnish with NO metallics.

TOP VIEW

- Artwork printed in CMYK
- Artwork can have white basecoat or printed directly on aluminum
- Artwork can have one of three finishes (gloss/matte/select gloss)
- Anything in the warp zone will distort
- UPC vertical orientation recommended (3.5cm x 2.5cm recommended)
- Preference for Adobe Illustrator (AI) files
- Embed all images and outline fonts before saving
- Ensure that the file preserves editing capabilities
- Small tweaks may be needed to be made to artwork
- Please contact artwork@canvascraft.ca with any questions or concerns
- Please note that slight hue variations may occur during production. No two print runs will remain exactly the same
- To ensure quality assurance, every can produced by CanvasCraft must feature our logo and production code, prominently displayed near the UPC code as shown below. Size is for demonstration purposes only.
